Subject: follow up

Hi Lisa,
My name is Melanie Asmar and I'm a reporter with Westword newspaper here in Denver. I believe that you previously e-mailed with my colleague Jonathan Shikes.

I'm wondering if you could provide me with an update on this situation: <http://www.govexec.com/federal-news/fedblog/2014/06/epa-employees-told-stop-pooing-hallway/87223/>

I recently heard that the perpetrator hadn't been caught and had in fact escalated his or her actions. I'm wondering what type of information you can provide on the subject.

My questions include: Has the person been caught? If so, how did the EPA identify him or her? If not, what steps are you taking to do so?

Please let me know if you're able to answer those questions, or if a FOIA request might be a better way to access information about the situation.

Thank you,

Melanie
